

Capturing the Essence of Community through Participatory Photography

PHOTO WALK

Take 30 minutes to walk around and take some photographs based on the theme “Welcoming Community”

1. Walk around inside or outside the hotel, within a block of the front entrance
2. Take photographs that capture your immediate impressions – remember to try different angles, close ups, symbolism, realism ...
3. Choose 3 photographs and write brief descriptions (see over)
4. Upload them to Shared folder (_____):
5. Once the photos have been uploaded, click on a photo to view it and add your descriptions in the comments box to the right of each photograph. Others will be able to join in with a comment to create a conversation around your photo.

Capturing the Essence of Community through Participatory Photography
